

Porets' Pirogues

Price Sheet

The best way to place an order for a pirogue is through our [Order Form](#). Click on the Order form link above and input the pirogue, options, or accessories you would like to purchase. We will respond within 24hrs. The commission of any pirogue build will require \$350.00 deposit up front. An order can also be placed at 337-354-5884. Unfortunately we are still a part time business so we may or may not be able to accept your call, or return the call in a timely manner. The best method of communication is email.
